Hey Paul,

Hopefully this is the last name change. Could we please use **The Paddocks at Camden** as the subdivision name for this development if available?

Thanks, Mary

Unfortunately I cannot approve "Anderson" with any suffix since I already have 4 variations of "Anderson" throughout the County.

Please keep in mind, I've only approved the names and not the suffixes on the list I returned. The suffix is flexible on all approved names.

Thanks!

Thank you, Paul! I see that "Anderson Way" was not approved. Would changing the suffix to one of the following options help, or is "Anderson" not an available option?

- Anderson Road
- Anderson Street
- Anderson Lane
- Anderson Avenue

Thanks, Mary

Good morning Mary,

Please see attached document for road name approval. Based on the preliminary plans provided, there should be enough road names available for the anticipated number of unique roads.

Thank you,
